SUGGESTIONS & SESSION TIPS

- Arrive on-time
- Bring 2-3 complete outfits.
- You may change your outfit using my studio's private changing room.
- Avoid clothing with too bright colors or with (big) pictures. Additionally, you may find that wearing too much makeup or jewelry become less desirable in your image.
- A complete suite for male models is strongly suggested especially for family pictures.
- Study/practice different poses you may like and/or images you see in magazines, etc.
- Bringing hats, shawls, ribbons, bowties, hair mousse, etc. may be very helpful in creating different moods as well as complementing your poses.
